Dear :

The students and staff of Churchill Academy would like to thank you for your generous support of our fifth annual dinner auction held on April 30, 2009.

The funds raised this year will go toward the purchase of resources to create a new science lab, Key Math mathematics software, new computers, classroom furniture, books, and audio visual equipment.

With your help we raised over \$32,000. an amazing amount for a school this size. We could not do it without your help.

Thank you once again for your support of Churchill Academy.

Sincerely,
